Dear Parents and Guardians,

Every year we provide students with the opportunity to purchase some study guides for their core courses. **The Key** is an excellent resource that helps facilitate the learning strategies and concepts in all of the core subjects and it is available for most courses from grades 6 – 12. This resource is very valuable for all junior and senior high students especially those students who are writing government exams in January and June.

We encourage students to purchase their own copies of **The Key** as a way to prepare them for final exams; however, it is not a requirement. If you feel your child would benefit from these resources and you would like to purchase **The Key**, we ask that you fill out the attached sheet.

The cost for each book is **\$18.00** (this will also cover GST and Shipping). Please make your cheques payable to **GRCCS**. **This form and the money needs to be returned to the office by Friday, October 7, 2011.**

Please do not hesitate to contact the office if you have any further questions or concerns.

Sincerely,

Marlys Phillips  
Vice-Principal
